1. This is the me going to me to be prepared, ready, for the greatest outpouring of my spiritgrace ever imagined/incurred/thought of. I love you. Embrace yourself not; me, in the new thing,s that I am doing, bringing forth, about me, about/through, from, in my being/who love me. Who keep my commandments not but who love me. Who loveth me and doesn't? I love you.

2. Love central. Commanded not; demanded? Or surrendered to, becoming what surrendered to means, is, consists of; surrendering to love, becoming/experiencing love at/from the first degree of separation, not; there being none, being/becoming exactly the same.

3. Covenant. Covenant. Covenant see/be/become my covenant one/ones who now see, feel, experience the best of me, not; the all of me that I am, now and forevermore; creating, creating, by the word of my mouth creating in fullness of I am. Who can see that I am I Am, that they are I Am, and there is no separation of even one degree? And there is no one that loveth me that isn't me. Do you love me? Surrender into me? The things that I now do, that I bring forth, through you, even you, if you let me? Are you willing? Obedient not to the heavenly vision but willing to be one who you are, the one who you are; me?

4. **Will you let me redefine, define, correct anomalies and contradictions and juxtapositions never meant/intended that come up from nowhere, not; hell; incarcerating my loveliness in hell replete, complete, and where did you say you were/are?** I love you all.

5. **This is the day of cataclysmic correction** and who can stand the forthright wilderness not; but green pastures entering or rejecting? Standing on words of truth thought, in arrogance, non-humility, thinking thought of me thought him real, not; but insofar as the mind can see? Can the mind see? What, how? Really? Or imagined/conjured up according to what's taught real empirical. I love you all.

6. This is the moment all changes, not; but significant things do, many. My all'worth my all'heart begin all'word worship, not; but entry, entry into me, entry into my kingdom, my all-word, my real-ship. Attitude not; meditation/medication not; escape not; reality real, first time'd in many times. I love you. Entry, enter me, my kingdom, crowned of my heavenly father, not; yea yes and all who father are/consists of, **one family being in heaven on earth.**

7. See what I am saying/have said carefully constructively instructively and correctingly. Tender I am with my/who love me; keeping my commandments/rules not; coming into me for who, what not; who I am; for to know me/my voice intimately and intimacy share with me in my kingdom, kingdomized back into kingdom one; never split/separated/darkened again. I love you all. Amen.

8. Cataclysmic separations occur. One becoming one and one-thought separating cataclysmically; never bonding again, not; all come into me at some point/surrender. Every knee will bow; theirs, to theirs; their classmates not; colleagues espousing theories, not; but surrenderers to surrenderers that surrendered are/become to one surrendered, father being. Heaven and earth one.

9. I love you all.

10. Speak in internet cafes I do, see; restaurants, coffee shops and even churches sometimes; on/in streets and hearts mighty seeking me now, more than ever not; ever known/imagined. Eons long, not now; ever in sight, sight mine, ever mine now mine are/becoming, again.

11. All so lonely not; I encompass thee with my hand/heart and completely overshadowed you become with only me, light emitting diode not; light from light emitting light radiant splendour truth from one truth'd, me; I am I Am. All who want me, I Am. This is the day hour minute, time of/in only me.

12. See, prepare,d; what thou wantest in me thou havest.

Now and forevermore,

I Am
